

Hi Polla

Thanks for your mail.

If I understand the rules I believe that a 3 gun match does not have to be completed in 1- 3 days. This may be completed in various areas and times.

Looking at the problem with 2006 3 gun nationals I would like to offer a possible solution.

As a lot of shooters have to take leave to participate in Africa Level 4 and then some more for the 3 gun National I believe it may not be a success.

The SAPSA calendar has no shoots scheduled for June/August. Why not set up a 2 day shoot for shotgun and rifle sometime this month and still use 8 predetermined pistol stages from the level 4 as planned.

This will allow you time to compile final results as well as do presentations at the Level 4 function

Regards
Fred
