**Re: Letter of thanks.**

We would like to thank NGPSA and its members for the financial assistance so generously given to us, to help us to attend the World Shoot in Ecuador.

The match was very demanding and challenging but very enjoyable. We shot to the best of our ability but realised we need to put in a lot more effort into future matches to keep pace with the rest of the world.

It was a different format of shooting in the sense of shooting over 6 days but only shooting for half the day at a time. We would shoot 6 stages a day of which 2 were long courses and the others were medium to short, with 2 stages on one range where you would have a briefing for both and a 7 minute walk through, for 17 people. This format works very efficiently and we recommend we look at using it here.

Many thanks we will see you on the range .
